REFUGEE RESETTLEMENT COMMITTEE:

World Renew has sent us a notice that Musa and Henok have received their permanent resident visas and the process for arranging travel has been initiated. We are assuming that the other members of the family should get their visas soon and the family should be arriving in 7-12 weeks.

As a committee we feel that once the family arrives, drivers will be needed to help them connect with the services provided that they will require. As they are closer to arriving, we will have a sign-up sheet for drivers and for other things that the family will need.

Continue to pray for the family they anticipate coming to Canada

VOLUNTEERS NEEDED: Do you consider yourself not very techy? Do screens and buttons scare you? Great! Not only is livestream, media, and sound very user friendly, but it's a critical part of the Sunday services. We're looking for volunteers to become a part of our Sunday rotation in the back. Even if technology isn't your thing - we guarantee it's a lot simpler than the buttons and screens make it look! Contact Grace (office@mapleridgecrc.com) if you're interested in sitting in one Sunday morning as seeing how everything works. No commitment necessary!
